

PEMKOMATIC™

Effortless Access with Sliding Door Automation

PEM KO
ASSA ABLOY

Experience a safer
and more open world

Our PemkoMatic™ (PSLIDE) low energy automatic door operating system offers versatile electromechanical solutions for manual sliding doors, and features convenient multi-access options including a wave-to-open sensor, push button, or keypad. Designed to fit seamlessly with both pocket and sliding doors, it is ideal for new installations as well as retrofitting existing openings. The system features a sleek cover, combining functionality with a clean, aesthetically pleasing design.

APPLICATIONS:

- Office Buildings
- Healthcare Facilities
- Hospitality
- Educational Institutions
- Museums and Galleries

FEATURES

BENEFITS

User-friendly interface with three customizable modes for versatile door operation

Ensures personalized security and accessibility requirements to meet the unique needs of every user:

- Green/Auto Mode: Ideal for everyday use with open-assist enabled and the door unlocked
- Blue/Hold Open Mode: Keeps the door fully open by default for convenience
- Red/Lock Mode: Open-assist is disabled, and the door locks securely, allowing access only through a keypad or door activator

Quiet operation

Experience smooth and silent door movement, enhancing comfort and functionality in commercial spaces

Durable construction tested to meet rigorous industry cycle standards

Built for long-lasting performance, ensuring reliable functionality and security through regular use

Multiple access options

Experience seamless and versatile entry with multiple access options: wave sensor, numeric keypad, or push button.

Adjustable open time from 0 to 24 seconds, easily configured via a dial under the control panel

Customize door operation to match your specific needs, ensuring optimal convenience and efficiency

SPECIFICATIONS:

- Product Number: PSLIDE
- Sliding Door Types: Barn doors and pocket doors
- Product Dimensions: 36" L x 2.5" W x 3" H
 - Can be trimmed to fit door openings as small as 30" wide
