

# 1500 Series® Electric Strike

*Works with all brands of  
cylindrical and mortise  
locksets without a deadbolt*

Also available in  
Complete One Box  
Solution

The most advanced,  
modular electric  
strikes that work  
with every brand of  
cylindrical or mortise  
locks designed to  
work with a 4-7/8"  
strike plate.

The HES 1500 Series® Electric Strikes set a new standard in the industry by offering dynamic integrated adjustability and field configurable options compatible with any cylindrical or mortise lock. The modular design of the platform makes stocking and installing easier with interchangeable faceplates and accessories. For the first time, the aesthetics of an electric strike are complimentary to other surrounding door hardware and blend in with the opening due to the fully finished design available in eight finishes.

## Features
